Notes:

For week ending July 17, 1999, 206 dealers held a federal squid, mackerel, butterfish permit. Of those 206 dealers, 162 (79%) have submitted a weekly quota report for the current reporting week. Because Massachusetts dealers submit weekly quota reports directly to the state, they were not included in these calculations.

As of June 16, 1999, small-mesh trawling will be prohibited through the end of the year in Nanucket and Vineyard Sound and waters around the islands under the jurisdiction of the Commonwealth of Massachusetts.

These data are the best available to NMFS when this report was compiled. Data are supplied to NMFS by dealers and/or state agencies and may be preliminary.
